

# Ordering Information

## Shipping and Handling:

The current charges for shipping & handling can be found at:- <https://www.phoenix-paints.co.uk/delivery>

The **Finishing Touch** and **Livery Data Sheets** are generally sent separately from paint. **Livery Data Sheets** are produced to order- please allow a minimum of 14 days for delivery

VAT at current UK rates is included in all prices within this list unless otherwise marked.

We have in the past been criticised for charging VAT on post & packing. Unfortunately this is to comply with UK VAT regulations.

**Don't blame us, blame Customs and Revenue!!**

When you pay by credit or debit card, 2.5% of the total amount, or 50p (whichever is the greater) is paid to our Merchant Service provider.

All customers pay the same regardless of how they pay.

## Payment

We accept the following methods of payment:  
Visa, Mastercard, Switch/Maestro, Visa Debit, Delta, for mail orders and at exhibitions.

Bank Transfer via the BACS System to:-  
Phoenix Precision Paints Ltd

We ***MUST*** have the following details to process any credit/debit card orders -  
**Card number** - the long raised one on the centre of the card.

**Expiry date.**

**Start date and/or issue number**  
(where applicable)

**Security number** - this can be found on the signature strip.

**The Cardholders name and the address at which the card is registered**

(This is the statement address and we must have it as printed on your statement)

**A contact phone number.**  
(in case of any problems )

**Without all of the above details - we will be unable to process your order**

**For Your Safety** Please do not send card details by email. Cash should only be sent using the 'Royal Mail Special Delivery'<sup>TM</sup> Service.

## Please allow UP TO 28 days delivery.

Most orders are despatched within a few days, but this cannot always be guaranteed.

All prices and specifications are subject to change without further notice.  
This Price List supercedes and replaces all previous price lists.
