VAT at current UK rates is included in all prices within this list unless otherwise marked.

We have in the past been criticised for charging VAT on post & packing. Unfortunately this is to comply with UK VAT regulations.

Don't blame us, blame Customs and Revenue!!

When you pay by credit or debit card, 2.5% of the total amount, or 50p (whichever is the greater) is paid to our Merchant Service provider.

All customers pay the same regardless of how they pay.

Please allow UP TO 28 days delivery.

Most orders are despatched within a few days, but this cannot always be guaranteed.

All prices and specifications are subject to change without further notice. This Price List supercedes and replaces all previous price lists.
